- 17 How does the implementation of trade barriers, such as tariffs and quotas, contribute to risk in global trade?

- 18 What is the purpose of trade credit insurance in risk management?
- 19 How can natural disasters impact global trade?
- 20 What is the primary objective of supply chain risk management in global trade?
- 21 What is the primary goal of implementing physical security measures in global trade?
- 22 How do security seals contribute to physical security in international shipments?
- 23 What role do security fences play in safeguarding trade facilities and warehouses?
- 24 How does the use of surveillance cameras enhance physical security in trade environments?
- 25 In the context of physical security, what does the term "access control" refer to?
- 26 How does the use of secured and tamper-evident packaging contribute to physical security in trade?
- 27 What is the primary purpose of conducting risk assessments in relation to physical security in global trade?
- 28 How does the use of biometric authentication contribute to access control in trade environments?
- 29 What is the purpose of a secure and controlled parking area in the context of trade security?
- 30 How does the implementation of physical security measures contribute to trade facilitation?
- 31 What is the primary goal of implementing information security measures in the context of global trade?
- 32 How does encryption contribute to information security in global trade?
- 33 What is the purpose of conducting regular cybersecurity audits in the realm of global trade?
- 34 How does the use of secure virtual private networks (VPNs) enhance information security in trade transactions?
- 35 What is the significance of implementing multi-factor authentication in trade-related digital systems?

- 36) How does the secure disposal of electronic devices contribute to information security in trade?
- 37) What is the primary purpose of implementing firewalls in the context of information security for global trade?
- 38) How does the implementation of data encryption contribute to compliance with data protection regulations in global trade?
- 39) In the context of global trade, what does the term "data localization" refer to?
- 40) How does the implementation of information security and data protection measures contribute to building trust in global trade transactions?
- 41) What is the primary objective of cybersecurity in the context of global trade?
- 42) How does Threat Intelligence contribute to cybersecurity in global trade?
- 43) What role does a Chief Information Security Officer (CISO) play in global trade cybersecurity?
- 44) How does the implementation of a Security Awareness Training program contribute to global trade cybersecurity?
- 45) In the context of cybersecurity, what is the purpose of a penetration test?
- 46) What is the significance of encryption in global trade cybersecurity?
- 47) How does Threat Hunting contribute to overall cybersecurity in international trade?
- 48) Purpose of conducting a cybersecurity risk assessment in global trade?
- 49) Contribution of Incident Response Planning to global trade cybersecurity?
- 50) Primary role of cybersecurity leadership in the context of global trade?
- 51) What is the primary goal of business continuity planning in global trade?
- 52) How does a Disaster Recovery Plan contribute to global trade operations?
- 53) What role does a Business Continuity Manager play in global trade?

- 54) How does the implementation of redundant systems contribute to business continuity in global trade?
- 55) In the context of business continuity, what is the purpose of a risk assessment?
- 56) What is the significance of offsite data backups in global trade continuity planning?
- 57) How does Supply Chain Resilience contribute to overall business continuity in international trade?
- 58) Purpose of conducting a business impact analysis (BIA) in global trade continuity planning?
- 59) Contribution of Crisis Communication Plans to global trade continuity?
- 60) Primary role of continuity leadership in the context of global trade?
- 61) What is the primary goal of compliance in global trade?
- 62) How does a Trade Compliance Program contribute to global trade operations?
- 63) What is the role of a Compliance Officer in global trade?
- 64) How does an Anti-Bribery and Corruption (ABC) policy contribute to legal considerations?
- 65) In legal considerations, what does "due diligence" refer to?
- 66) Significance of International Commercial Terms (INCO terms) in legal considerations?
- 67) How does "customs compliance" contribute to legal considerations in international trade?
- 68) Purpose of export control screenings in legal considerations?
- 69) Contribution of a Privacy Policy to legal considerations in digital trade transactions?
- 70) Primary role of legal counsel in global trade?
- 71) What is the primary goal of security governance in global trade?
- 72) How does effective leadership contribute to security in global trade?

- 73) What role does a Chief Security Officer (CSO) play in global trade security?
- 74) How does the implementation of a Security Policy contribute to global trade security?
- 75) In security governance, what does the term "risk assessment" refer to?
- 76) What is the significance of cybersecurity in security governance for global trade?
- 77) How does supply chain security contribute to overall security in international trade?
- 78) Purpose of conducting security audits in global trade security?
- 79) Contribution of an Incident Response Plan to security governance in global trade?
- 80) Primary role of security leadership in the context of global trade?
