

Informatics.d

- 1 What is informatics?
- 2 What is the primary purpose of a database?
- 3 What is data mining?
- 4 What is big data?
- 5 What is an algorithm?
- 6 What does the term 'data analytics' refer to?
- 7 What is the role of a data analyst?
- 8 What is machine learning?
- 9 What is a data warehouse?
- 10 What does cloud computing refer to?
- 11 What is blockchain technology primarily used for?
- 12 What is the primary feature of quantum computing?
- 13 What is the Internet of Things (IoT)?
- 14 What is artificial intelligence (AI)?
- 15 What is virtual reality (VR)?
- 16 What is the primary goal of 5G technology?
- 17 What is a major benefit of cloud computing?
- 18 What is augmented reality (AR)?
- 19 What is edge computing?

- 20 What is a key characteristic of autonomous vehicles?
- 21 What is the primary goal of data analysis?
- 22 What does data visualization involve?
- 23 What is a key function of a data warehouse?
- 24 What is knowledge processing?
- 25 What is a data scientist primarily responsible for?
- 26 What is machine learning?
- 27 What is predictive analytics?
- 28 What is the purpose of data cleaning?
- 29 What is the role of a knowledge management system (KMS)?
- 30 What is big data analytics?
- 31 What is the World Wide Web (WWW)?
- 32 What does HTTP stand for?
- 33 What is a web browser?
- 34 What is an IP address?
- 35 What is the function of a domain name?
- 36 What is the purpose of a firewall?
- 37 What is HTML?
- 38 What is CSS used for?
- 39 What is JavaScript primarily used for in web development?
- 40 What does SEO stand for?

- 41) What is a database?
- 42) What does SQL stand for?
- 43) What is the primary function of a Database Management System (DBMS)?
- 44) What is a primary key in a database?
- 45) What is a relational database?
- 46) What is a query in the context of databases?
- 47) What does CRUD stand for in database management?
- 48) What is normalization in database design?
- 49) What is a foreign key in a database?
- 50) What is a data warehouse?
- 51) What is computer architecture?
- 52) What is the function of the CPU (Central Processing Unit)?
- 53) What does RAM stand for?
- 54) What is the primary function of a motherboard?
- 55) What is an operating system (OS)?
- 56) What is cache memory?
- 57) What is the purpose of a GPU (Graphics Processing Unit)?
- 58) What is the function of an input device?
- 59) What is a system bus?
- 60) What is the primary purpose of a hard disk drive (HDD)?

- 61) What is artificial intelligence (AI)?
- 62) What is the Internet of Things (IoT)?
- 63) What is blockchain technology?
- 64) What is the primary purpose of quantum computing?
- 65) What is augmented reality (AR)?
- 66) What is machine learning?
- 67) What is a primary application of 3D printing?
- 68) What is edge computing?
- 69) What is the goal of cybersecurity?
- 70) What is virtual reality (VR)?
- 71) What is the primary role of informatics in society?
- 72) What is e-governance?
- 73) How does informatics benefit healthcare?
- 74) What is the digital divide?
- 75) What is the purpose of online education platforms?
- 76) What is a smart city?
- 77) What is social media's role in informatics?
- 78) What is the significance of data privacy in informatics?
- 79) How does informatics support the business sector?
- 80) What is the impact of cloud computing on society?
