- 316 A CEO of a sports apparel manufacturer is faced with an ongoing conflict between two of his top executives. Specifically, the head of sales and the CEO are at each other's throats and the tension is having a ripple effect on their teams and the rest of the organization. The CEO, who tends to avoid conflict himself, is struggling with how to solve the problem. Which management style is necessary to deal with this problem?
- 317 A chief to his secretary: Miss Anna, I want you to organize a special event for our staff. To do it you must hire a specialist who can oversee the design, set-up, and execution of the event that brings our people together. The specialist you'll hire must not only organize the meeting, but he has to work closely with the personnel to achieve the most from a given event. What specialist is the chief talking about?

- 318) This type of economy plays a major role in many countries. People evade taxes and regulations by working or by employing people illegally. On the one hand, this unregulated economic activity can result in reduced tax revenue and public goods and services, lower tax morale and less tax compliance, higher control costs, and lower economic growth rates. But on the other hand, this type of economy can be a powerful force for advancing institutional change and can boost the overall production of goods and services in the economy. What economy can be described like this?
- 319) A lecturer demonstrates to his students some principles of Economics. He pays attention to the science, which tries to find answers to the following question: What causes unemployment? What causes inflation? What creates or stimulates economic growth? One of the students thinks that the mentioned science examines economy-wide phenomena such as price levels, rate of economic growth, national income, gross domestic product (GDP), and so on. What branch of economics are they talking about?
- 320) A client came to the HH agency: "Hello. I need a specialist in management who is responsible for representing musical artists, like musicians, bands, and singers, in business dealings and helping promote their clients' careers. Could you help me?" What kind of manager is he looking for?
- 321) A famous sportsman complains to his colleague: "I am up to my ears with all this stuff – I must fulfill all my projects, think about interviews, organize meetings and events, I have no time to train and to live!" His friend answers him: "Why don't you hire a ... manager!". What manager is he talking about?
- 322) A lecturer explains during the lesson: "Macroeconomics involves the study of aggregated indicators such as GDP, unemployment rates, and price indices for the purpose of understanding how the whole economy functions, as well as the relationships between such factors as national income, output, consumption, unemployment, inflation, savings, investment, international trade and international finance". A student says: "Excuse me, I can't catch the meaning of GDP, could you give the full term of the abbreviation". Help the student to learn the GDP full name
- 323) You are late for the lesson and missed the title of the current topic. The lecture says: "This theory posits that the struggle between social classes - specifically between the bourgeoisie, or capitalists, and the proletariat, or workers - defines economic relations in a capitalist economy and will lead inevitably to a communist revolution." What is the topic of the lesson? Name the theory

- 324) A friend to his friend: “You know, yesterday my teacher said me, that some companies may follow the 4Ps Strategy (or 4P Strategy). And ... “Sorry, what does it mean 4Ps? I can suppose it might stand for product, price, place, and ... I can’t imagine what the fourth point is!” Help him to find the fourth p.....
- 325) A woman to her friend: “My son finally got his dreamed work. Now, he works with promoting and generating new business at restaurants and he is a specialist in knowing the potential customer and cuisine.” “Is he a cook?”, – she asked. “No, he is a .... manager”. What manager does she mean?
- 326) An examiner asks a student: “This theory is a theory of how rational individuals should behave under risk and uncertainty. The theory suggests that decision-making means the adoption and application of rational choice for the management of a private, business, or governmental organization in an efficient manner. What is the theory?” Help the student and name the theory
- 327) The next exam question says that this theory consists of many approaches to organizational analysis. “Organizations” are defined as social units of people that are structured and managed to meet a need, or to pursue collective goals. The theory includes rational system perspective, division of labor, bureaucratic theory, and contingency theory. Name it
- 328) Your secretary received a letter where the head office of the company demands you to create CSR business model that will help the company be socially accountable to itself, its stakeholders, and the public. But the secretary doesn’t know the abbreviation of CSR. Help her and give the full answer
- 329) Your secretary received a letter where the head office of the company demands you to create CSR business model that will help the company be socially accountable to itself, its stakeholders, and the public. - 544 A CEO of a sports apparel manufacturer is faced with an ongoing conflict between two of his top executives. Specifically, the head of sales and the CEO are at each other's throats and the tension is having a ripple effect on their teams and the rest of the organization. The CEO, who tends to avoid conflict himself, is struggling with how to solve the problem. Which management style is necessary to deal with this problem?
- 545 A chief to his secretary: Miss Anna, I want you to organize a special event for our staff. To do it you must hire a specialist who can oversee the design, set-up, and execution of the event that brings our people together. The specialist you'll hire must not only organize the meeting, but he has to work closely with the personnel to achieve the most from a given event. What specialist is the chief talking about?
- 546 This type of economy plays a major role in many countries. People evade taxes and regulations by working or by employing people illegally. On the one hand, this unregulated economic activity can result in reduced tax revenue and public goods and services, lower tax morale and less tax compliance, higher control costs, and lower economic growth rates. But on the other hand, this type of economy can be a powerful force for advancing institutional change and can boost the overall production of goods and services in the economy. What economy can be described like this?
- 547 A lecturer demonstrates to his students some principles of Economics. He pays attention to the science, which tries to find answers to the following question: What causes unemployment? What causes inflation? What creates or stimulates economic growth? One of the students thinks that the mentioned science examines economy-wide phenomena such as price levels, rate of economic growth, national income, gross domestic product (GDP), and so on. What branch of economics are they talking about?
