- 12 Read the text. Text. A soft currency The Kzarnian florint is not convertible outside the Republic of Kzarnia. Until recently, the official exchange rate was KF20 to the US dollar, although the black market rate was at least double that. However, last month the government pegged the currency to the dollar at a lower level, and the gap between the official and unofficial rates has narrowed. The official rate currently stands at around KF35. Despite the improved stability of the currency, most major transactions within the country are still carried out in hard currency. Tourists may never even see a Kzarnian florint, as all goods and services they are likely to require can be paid for in euros or US dollars. Are the following sentences true/ false/not stated? The Kzarnian florint can be bought in any bureau de change that has them in stock.
