- 138 Match these benefits of digital media with their descriptions:
- 139 Read the text below and answer the question: Your job is to create art (paintings or sculpture) for people's homes. One day a client comes to you and this is a brief they share: "I want to create a set of paintings for my apartment – a 3-bedroom apartment in the center of the city. I frequently host parties and I've got a lot of artist friends. I don't like classical images, I like to participate, to be in a dialogue with the art that I see." Question: What style will you choose for a set of paintings for this particular client?
- 140 Read the text below and answer the question: The 21st century is a century of change. The rapid innovations and the growing accessibility of technology have given artists more creative ways to bring their vision to life. The global pandemic, concern over climate change, and increasing political and social unrest have also given artists unique questions to tackle in their works. Question: What are the factors shaping the contemporary art of the 21st century?
- 141 Read the text below and answer the question: Provision of conceptual and creative, scenario, rehearsal, concert and touring activities of a performer or a creative team, development of a creative image of a project, a particular performer, group, development of scenography, costumes, emotional-figurative and musical solutions for projects and programs. Question: What function of an art manager is this?

- 142) Read the text below and answer the question: You are managing a very popular artist who is currently touring internationally. From your network, you've heard that another manager is pursuing the same artist, actively trying to contact him – sending emails, gift baskets and various offers. Question: Which section of the Ethical Code of the Manager does this behavior violate?
- 143) Read the text below and answer the question: You are trying to convince your boss to invite an outside consultant and hold a creative thinking workshop so you and your team can improve both professionally and personally. Your boss is skeptical about the benefits of creative thinking and wants you to outline them for him. Question: What are the benefits of creative thinking that you could suggest to your boss?
- 144) Read the text below and answer the question: There's one colleague at work that always irritates you. He always comes up with crazy ideas and what's even worse – the boss seems to like his ideas, even though some of them are not really good ones and often fail. Still, everyone keeps encouraging this colleague. Question: What creative thinking skill could help you resolve this issue with your colleague?
- 145) Read the text below and answer the question: You are tasked with a job to strengthen communication processes between two departments – marketing and sales. Your boss wants them to be aligned in terms of who does what and when. For the past few months, some tasks have fallen through so he is keen on fixing this issue. Question: What type of visual communication is best suited for this job?
- 146) Read the text below and answer the question: You are working for a healthcare company and they've recently had a lot of feedback that their guidelines and instructions are very difficult to understand. That's why they decided to ask you to help them out and to design new materials. Question: This use of visual communication is called ...
- 147) Read the text below and answer the question: You've decided to use print media as part of your media strategy. Your company is a healthcare company that markets to doctors: you gather them for offline workshops and that's where you market your goods. Question: What kinds of print media would be most suitable for your job?
- 148) Read the text below and answer the question: Your marketing team launched a new campaign, according to the latest media strategy you've all created. However, at the end of it, the numbers didn't add up. It seems like there were too many resources wasted and that the ROI was really low. Question: What step of planning a media strategy did your team skip?

- 149) Read the text below and answer the question: You are working at a top publication in science. However, your readership numbers are falling and your users are saying that the texts are now too long and they lack clarity and could be better formatted. So as a designer you are tasked with adapting the texts to the modern audience and their habits. Question: What are you going to do with the texts?
- 150) Read the text below and answer the question: You are responsible for the blog of your company. You are currently in the process of selecting content for it and deciding on the best medium that will help you not only share the ideas you have but also engage your target audience. You want something that will enable you to tell a story and really connect with them. Question: What type of content should you choose to reach your goals?
- 151) Оцените свою удовлетворенность качеством видеолекций данной дисциплины по шкале от 1 до 10, где 1 - полностью не удовлетворен(а), а 10 - полностью удовлетворен(а).
- 152) Насколько понятным для вас языком написаны конспекты и другие текстовые материалы?
- 153) На сколько материалы курса актуальны и применимы в вашей учебе или работе?
- 154) Оцените, насколько для Вас интересны материалы курса по шкале от 1 до 10, где 1 - совсем неинтересно, а 10 - я полностью погружаюсь в изучение материалов и чувствую сильную мотивацию к обучению.
- 155) Какова ваша общая удовлетворенность контентом курса?
- 156) Что бы вы предложили улучшить в контенте курса? (Выберите один или несколько вариантов ответа)
- 157) Насколько, по вашему мнению, тестирования соответствуют изученным материалам курса?
